

## PERMISSION TO PUBLISH STUDENT IMAGES AND WORK FOR COLLEGE PURPOSES

Dear Parent or Responsible Person,

Your permission is sought for Ballajura Community College to publish video or photographic images of your child and/or samples of your child's school work to be used by the College and the Department of Education (*the Department*). The purpose of using the images or work will be activities such as promoting the College, events held at the College and student achievements.

Your child's image and/or school work may be published for the above purposes in a range of formats such as hardcopy and digital, including audio and video file formats, and published to a range of media including but not limited to College newsletters, email, school and Department of Education intranet and internet sites including social media websites (e.g. Facebook, YouTube etc.) and local newspapers in hardcopy and digital formats, which may enable viewers/readers to identify your child. The resulting resources may also be published publicly and shared with other education jurisdictions in Australia.

The College will endeavour to limit identifying information that accompanies images of your child or child's work; however there will be occasions when your child's name, class and school may be published along with images.
