

Dear parents/carers and staff,

I am writing to advise you there has been a positive case of COVID-19 in Year 12 at Ballajura Community College.

They attended school on Thursday 10 February and Friday 11 February while infectious.

Students and staff who may have had close contact with the case at will be contacted directly by WA Health.

Advice for all families and staff:

- The school remains open.
- If your child is not contacted by WA Health, your child is not required to quarantine and should attend school.
- If staff are not contacted by WA Health, they are not required to quarantine and should attend school.
- As for everyone in Western Australia, we ask that you monitor your student/yourself for symptoms of COVID-19 and get tested and isolate until you receive a negative result, if symptoms develop.
- Please note that the Omicron strain can present with less typical symptoms such as diarrhoea, particularly in children.
- If you or your child develops symptoms, please do not attend school.

If you have queries or concerns, please contact WA Health on 1300 316 555.

Kind regards

Belinda Hall  
Principal  
Ballajura Community College
