Wall of Fame

Policy Statement

The "Wall of Fame" recognises outstanding performance by a former (alumni) student of Ballajura Community College.

Eligibility for induction to the Wall of Fame:

- formerly enrolled at the College, and
- have a positive College behaviour record, and
- have won an award or title at either state or national level, and/or
- have been selected for a national team, and/or
- have been recognised for outstanding achievement by an accredited state or national organisation.

Considerations

- Students will nominate for one or more of the four categories of Academic, Culture, Service and Sport

The Induction Process

1. A person can only be inducted once onto the Wall of Fame.
2. Induction will be recognised by a photograph with a citation describing the event that brought about recognition. The student's name will be added to the Wall of Fame register, held, and maintained by the College.
3. Photographs will remain on the wall in the Performing Arts Centre Foyer for a period not exceeding six years from the date of the induction. After removal from the wall the photographs will be archived with the other College archives in the Main Library.
4. Students will be inducted at a formal function to be held during Term 1 of each calendar year.
5. Wall of Fame inductees will have their photographs and achievements posted on the College website.

The College will consider nominees for induction, maintain the Wall of Fame, and determine whether a person is eligible for induction. The College reserves the right to remove an inductee if after induction the person commits an offence that brings the College's name into disrepute (this can occur at any time following induction).

Selection Process

1. The College will make the selection for students to be inducted in the Wall of Fame.
2. Students that were not inducted, may reapply for the following year.
