

My School Dentist

Australian
Dental
Foundation

dentalfoundation.org.au

Australian Dental Foundation (ADFi) is proud to deliver the 'My School Dentist' program, a FREE* mobile dental program that delivers oral health care and education for students at kindergartens, primary and secondary schools.

ADF is an award-winning, not-for-profit organisation, dedicated to improving oral health and expanding access to quality dental care for children and teens across Australia.

-  **Check-ups**
-  **Treatment**
-  **Prevention**
-  **Education**
-  **Smiles!**

*Check-ups and treatment provided at your child's school, pre-school or kindergarten are at no out-of-pocket cost to children (or the school/site). The Australian Dental Foundation is a not-for-profit organisation and is independent from any services offered by the State Government.

FREE* on-site dental check-ups and treatment

No out-of-pocket cost for all patients	✗	✗	✓
Provide oral health education	✓	?	✓
Cost to school/site	Not applicable	?	\$0
Charitable organisation	✗	✗	✓

Frequently asked questions

What dental care is provided?

Each child receives a general dental check-up and, where clinically necessary, one or more of the following services:

- X-Rays
- Cleaning & fluoride treatment
- Dietary and oral hygiene advice
- Follow up visits for general dental services such as fillings, fissure seals and extractions.

Is there a cost?

No. All dental care provided at your child's school, preschool, or kindergarten is completely free — NO OUT-OF-POCKET COST to families or the school/site.

What are fissure seals?

Fissure seals are protective coatings applied to the grooves of vulnerable teeth to help prevent tooth decay.

Can I attend my child's appointment?

Absolutely! Just tick the box on the Patient Details & Medical History form if you'd like to be there

How can I register my child/children?

Simply complete the online form before the school's due date. Scan the QR code or visit the link provided.
