Dear Parents/Carers

The College would like to remind everyone that when students are not attending school, learning should continue from home. Students can access their lessons via SEQTA. Instructions explaining how to set up SEQTA can be found in the User Guide section of the Work From Home tab on the BCC webpage. A link to SEQTA also appears on the webpage.

Students and their families may be experiencing a variety of challenges at this time. We encourage everyone to reach out for help and to show care and compassion for those around them.

Kind regards

Belinda Hall
