

This correspondence provides updated information about College operations from Monday February 1, until Friday February 5, 2021 (inclusive)

Dear Parents/Carers

Currently, at this point in time, there has been no change to the information I provided to you regarding the closure of the College for this week. As advised;

*“Our College will be **closed to all students and parents/carers from Monday February 1 until Friday February 5 2021 (inclusive)** following Premier McGowan’s announcement on Sunday 31 January 2021.”*

Our teachers and school staff continue to be required to remain at home also.

Information about the lockdown is available on the wa.gov.au site. The latest health information is available through [WA Health Department](#).

I have been informed by the Department of Education that I will be provided with information late this week about school arrangements beyond this Friday (February 5, 2021).

Once again I thank you for your understanding concerning this matter and your continuing support of the College.

Our best wishes and thoughts to you.

Yours sincerely,

Leigh Cottrill, Principal
