### **Covid – 19 Update**

As you will be aware the WA Government has announced that Western Australia will move further out of COVID-19 restrictions to Phase 5 from Wednesday 23 June 2021. This change will have no impact upon the College operations.

Parents/carers are reminded that if your child or children are sick with seasonal cold or flu, please keep them at home. This is in line with standard practice and continues to be an important requirement at this time.

The safety of staff and students is a priority and hygiene measures continue. The latest health information is available through WA Health Department.

### **Year 10 to Year 11 2022 Parent Information Evening**

Thank you to the parents/carers who attended our Year 10 to Year 11 2022 Parent Information Evening last Tuesday, June 15. Parents of current Year 10 students will receive, via SEQTA, a copy of the power point presentation from the information evening used to detail the Year 11 offerings and School Curriculum and Standards Authority (SCSA) requirements.

All Year 10 students will receive a hard copy of the 2022 Year 11 Subject Selection Handbook prior to the end of Term. Parents/carers are encouraged to begin discussions with your child regarding their course selections for next year, and are welcome to contact the College to discuss this with the College course selection councillors.

I thank you for your continuing support of the College.

Yours sincerely
